Rules of Conduct

Dear visitors,

The Foundation Sculpture Park Cologne welcomes you.

The Sculpture Park is an open-air museum that inhabits a collection of significant outdoor sculptures for you. Our goal is to make your visit to the Sculpture Park pleasant and eventful but at the same time to take care of the necessary security and protection of the exhibited artworks entrusted to us. In order to meet this requirement, certain rules are necessary, which become binding as house rules for all visitors and guests.

Upon entering the Sculpture Park, visitors recognize these rules:

- Artwork should not be touched or impaired in any way. Please observe the appropriate warnings and maintain the appropriate safety distance.
- The park may not be entered or driven with bicycles, skateboards, roller skates, inline skates or similar.
- Ball games are prohibited.
- Please dispose your waste in the waste baskets.
- In consideration of other visitors, we ask you to avoid noise.
- The park is not a place for dog business. Entering the park with dogs is only allowed with a leash.
- Picnicking on the lawn is not permitted.
- A public toilet is located in front of the main entrance Riehler Straße.
- Persons who are under the influence of alcohol or drugs and who, as they appear, endanger the life and well-being of other visitors and the art displayed, are excluded from the visit and from events.
- Photographs and filming are permitted only with permission. Please inquire at the park or contact the foundation directly. For legal reasons, we are obliged to point out that it is not allowed to photograph works of art or to make video recordings. The commercial use of any photos is not permitted, as well as the use of flash and tripod.
- The conveyance of art for children and adolescents is particularly important to us. That’s why it is necessary to inform the responsible escort and parents, that playing, races, romping and provocative behaviors are not allowed and they take care not to bother other visitors and to endanger the artworks.

Our supervisors are instructed to pay attention to these rules of conduct. For this reason, every instruction of the museum and supervisory staff is to be obeyed. If these paragraphs of the house rules are not followed, the persons in question may be prohibited from continuing their stay in the museum.

We wish you a pleasant stay in Sculpture Park Cologne.
